

KRISTOPHER M. KOLOS

Brooklyn, NY · kmkolos04@gmail.com · [LinkedIn.com/in/kkolos/](https://www.linkedin.com/in/kkolos/)

Computer Information Systems senior at Baruch College concentrating in cybersecurity. Built an agentic SOC alert-triage copilot in Node.js that investigates SIEM alerts against MITRE ATT&CK and returns structured, machine-readable verdicts. Prior experience running partnership outreach and pipeline operations end to end. Fluent in English and Russian; former Division I athlete.

EDUCATION

CUNY Baruch College, Manhattan, NY Expected December 2026
BBA in Computer Information Systems — Concentration in Cybersecurity — Minors in Info Tech and Comp Sci.
Wagner College, Staten Island, NY 2022 – 2023
Completed 30 credits toward Bachelor's degree — GPA 3.9 — Dean's List, Fall 2022 & Spring 2023

PROJECTS

SOC Alert-Triage Copilot | 2026
Node.js · Anthropic API · agentic tool-calling

- Designed a five-tool agent that autonomously investigates SIEM alerts through IP reputation lookup, MITRE ATT&CK mapping, related-alert correlation, and user context retrieval, returning a dispositioned verdict
- Implemented a tool-forcing pattern via a dedicated `submit_verdict` call to guarantee machine-readable structured output, tested against a 20-alert synthetic SIEM corpus

EXPERIENCE

Penka — Connecting Fans, Tel Aviv, Israel June – September 2024
Project Development Intern

- Owned partnership outreach end to end: sourced and qualified ~300 target companies from LinkedIn and sports-industry data, then authored the email template used across the campaign
- Built the Excel tracking system the CMO used for pipeline visibility, standardizing how outreach activity and responses were logged and reported

All City Glass & Fabricators, Brooklyn, NY 2013 – 2019
Assistant to the Manager | Part-time through middle and high school

- Progressed from front-desk and inventory support to coordinating deliveries and shop scheduling alongside a 10-person team

LEADERSHIP & ACTIVITIES

Hillel at Baruch College, New York, NY August 2025 – Present
Vice President of Programming

- Plan and execute campus-wide educational, cultural, and social programs in coordination with students and campus partners

Water Polo — Wagner College & Greenwich Aquatics 2013 – 2022
NCAA Division I Athlete · Club Team Captain at Greenwich Aquatics

- Recruited to a 25-player NCAA Division I roster; maintained a 3.9 GPA while training ~4.5 hours per day
- Competed nine seasons at club level across Junior Olympic, elite tournament, and Olympic Development Program play; named Team Captain for 2 seasons, directing plays and game preparation for a 15-player squad

SKILLS

Languages & Tools: Python, JavaScript / Node.js, C++, SQL, Git, Anthropic API, REST APIs, Excel
Security: SIEM alert triage, MITRE ATT&CK, SOC investigation workflows, IP reputation and threat enrichment, network fundamentals
Spoken: Fluent in English and Russian; Conversational Spanish; Elementary Hebrew
Certifications: CompTIA Security+ (SY0-701) in progress
